## Apartment Features

Each apartment is designed to make full use of the natural light and surroundings. A soft colour palette is used in each apartment, which feature modern appliances in the kitchen along with thoughtful design elements that appeal to the senses. An outdoor space or balcony allows residents to take in the outdoors on their own terms. Each apartment is fitted with 5 star rated air conditioners, allowing heating and cooling all year round.

Residents can make use of their own Supported Independent Living (SIL) supports, or make use of the onsite provider – the choice and control of supports is yours to make.

## Property Features

Our Greystanes building is located in the Greater Western region of Sydney – just 15mins to Parramatta by road, close to many shopping centres, medical centres and Westmead Hospital.

Enjoy relaxing in the communal backyard surrounded by the vegetable garden and soak up the sun or have a chat with others in the modern common lounge room.

Call ILV today on 1300 951 587 with your enquiry today.
